EDITORIAL NOTES

A Royal President

The Society has enjoyed royal patronage for more than 70 years but never before has it been honoured by a Royal President. So, it is with particular gratitude and pride that we learn that H.R.H. The Prince of Wales is to become our President next October.

With the Prince's known concern for the countryside and for those who live and work in it we feel sure of a really inspiring start to our second century and would like to ensure His Royal Highness of a warm and loyal welcome from the Society.

BUCKINGHAM PALACE

12th May, 1982.

Dear Sir Marcus.

I am commanded by Her Majesty The Queen to thank you and your members for the two magnificently bound books on the history of forestry and of the Royal Forestry Society which were presented to her at the Savill Garden last Monday. They are both comprehensive and interestingly written and Her Majesty and His Royal Highness have much enjoyed reading them.

Yours sincerely,
Adam Wise
